

COXSIDE SUMMER EVENTS DIARY 2022

This summer Take A Part and CRAB have teamed up with a whole host of organisations and creatives to bring you a packed summer of activity both in and outside of Cowside. The summer events will culminate in the Cowside Community Carnival, which we first brought back to the area in 2020 as an opportunity to celebrate all things Cowside! All events are free to all ages, however we do ask for under 16s to be accompanied at all times. Free refreshments available at most events.
